Shri Prince Shivaji Maratha Boarding House's New polytechnic is the institute recognized as institute delivering quality education. We are always focusing on student centric education. I am glad that our constant efforts in all aspects will drive creativity, innovation, knowledge and research based skills in our students and staff to the peak level. It is a matter of great pride and satisfaction for New Polytechnic, Civil Engineering Department to bring out this Newsletter which will send a positive signal to the staff, students and parents who are interested in the technical education especially based on construction technology and knowledge. This Newsletter will reflect all sort of activities undertaken by Civil Department. I congratulate Editorial Board of this Newsletter for the magnificent role in accomplishing the task in limited period of time. I am grateful for all our departments for the opportunity to meet our academic plan, growth, strategy and the institute vision mission. I have seen the progress made by the efforts of our civil engineering faculty in entire campus development with full dedication, it is promising and motivating. All our departments are providing best possible learning experiences using all possible resources ensuring high quality and globally competitive outcomes for students. Let us keep these words close to our hearts as we continue to encourage positive changes in future also. Best wishes for Civil Engineering Department Newsletter!

HOD's Desk

Dr. V. V. Diwan
H.O.D.

I am pleased to release this issue of departmental newsletter for the readers. First and foremost, I am happy for my students for their participation in various curricular, Co-curricular, extra-curricular as well as social activities. I feel proud for that. The prime resolution of this newspaper is to cluster all the notions and various activities under one roof and achieve awareness among all concerning key events in the department.

I sincerely thanks to authorities for their motivation. Many thanks to Principal, for their unconditional support. I wish my students to succeed with flying colors and serve society and nation in a broad way. I am delighted to present the welcome message for our biannual newsletter "SHELTER" which gives glimpses of the cumulative efforts of the Department of Civil Engineering guided by the Honorable Management and Director and supported by the administration. I congratulate the entire civil engineering department faculties, staff and students for their contribution to department activities and look forward for future developments. Heartiest congratulations to the Editorial Board.
