MOU's

Sr. No.	Name of company	Year of MOU	Period	Outcomes
1.	Digital Microsys	2022-23	till Date	Seminars
2	Mayuresh Industres	2022-23	till Date	Sponsored projects
3	Domain Computer Education	2022-23	till Date	Industrial Training programs ,Skill development programs

Memorandum of understanding (MOU)

This MOU is between **Mayuresh Industries** (hereafter referred to as **Mayuresh Industries**) and **New Polytechnic, Uchgaon, Kolhapur** (hereafter referred to as **NPK**) for the purpose of enriching the technical education process and to jointly work for enhancing the quality of education imparted to students of different Diploma Engineering programs.

Mayuresh Industries is a company incorporated under the laws of India with its registered office at Mayuresh Industries 3/8 postal colony, Panchgaon, Kolhapur-416013. NPK is a Diploma Engineering College having its registered office at R.S.No. 264, Shantinagar, Uchgaon, Kolhapur and affiliated to MSBTE, Mumbai and approved by DTE, Mumbai & AICTE, New Delhi.

Terms & Conditions

1. Nature of Relationship

1.1 This MOU is for collaboration between both parties, for mutual benefit, for the many objectives set out in Annexure-I to enhance the quality of the educational experience for the students.

1.2 This MOU shall be valid for 5 years from the date of signing and each party shall be at full liberty to terminate the collaboration, with a notice period of 3 months.

1.3 Both parties shall take all reasonable steps to ensure the successful implementation of the collaboration, and cooperate with each other in duly carrying out the obligations agreed upon.

1.4 The **Mayuresh Industries** will bear the expenses of providing expert faculty from **Mayuresh Industries** to offer Seminars of mutual interest to the students and faculty. If this activity is required for more than a working day then it will be decided upon mutually agreed financial terms.

1.5 The NPK will bear the expenses of providing expert faculty and necessary infrastructure required for the education and training.

2. Mutual Obligation

2.1 This collaboration shall not be exclusive to both parties and shall not disallow each party from having similar collaboration with others.

2.2 Each party shall respect the other's intellectual property (IP) and shall not use any trade name, symbol or designation belonging to the other, without prior written approval. No party shall hold out as an agent or representative of the other or create any liability for the other. The parties are at liberty to indemnify the other for breach of this clause.

3. Limitation and Warranties

3.1 Each party shall ensure that the other is not put to any liability for any act of the other party.

3. Limitation and Warranties

3.1 Each party shall ensure that the other is not put to any liability for any act of the other party.

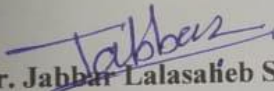

3.2 Each party understands that they have the full power and authority to enter into this MOU in general.

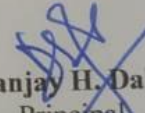

4. General

4.1 Both parties will designate a representative from its side who will be the primary point of contact on behalf of that party.

4.2 Both Parties shall not use the name of the other in any advertisement or make any public announcement without the prior written approval of the other.

In written whereof both parties put their hard seal on the day, month and year herein mentioned.

MEMORANDUM OF UNDERSTANDING

This **Memorandum of Understanding** (hereinafter called as the 'MOU') is entered into on this the 17th Day of April- Two Thousand Twenty Three(17/04/2023),

BETWEEN

Name and Address of Institution :-New Polytechnic, Kolhapur the First Party represented herein by its I/CPrincipal of Institute Dr. Sanjay H. Dabhole(hereinafter referred as 'First Party', the institution whose expression, unless excluded by or repugnant to the subject or context shall include its successors - in-office, administrators and assigns).

AND

Name and Address of Industry:-Domain Computer Education, Station Road Prabhakar Plaza, Kolhapur - 416002, the Second Party, and represented herein by its Managing Director Mr. Sagar K Tondale, (hereinafter referred to as "Second Party", company which expression, unless excluded by or repugnant to the subject or context shall include its successors - in-office, administrators and assigns).

WHEREAS:

- A) First Party is a Educational Institution named: **New Polytechnic, Kolhapur**
For department of Artificial Intelligence and Machine learning AiML (AN)
- B) First Party & Second Party believe that collaboration and co-operation between themselves will promote more effective use of each of their resources, and provide each of them with enhanced opportunities.
- C) The Parties intend to cooperate and focus their efforts on cooperation within the area of Skill Based Training, Education and Research.
- D) Both Parties, being legal entities in themselves desire to sign this MOU for advancing their mutual interest;
- E) **Domain Computer Education, Kolhapur**, the Second Party is engaged in Business of IT Training & Placement Services in the fields of IT Infrastructure Services and related fields
- F) **Domain Computer Education, Kolhapur**, is promoted by **Mr. Sagar K. Tondale & Mr. Sachin S. Shrishrimal** from **Kolhapur**.

Information about Domain Computer Education

Domain Computer Education is an Training & Placement institute in Computer Hardware, Networking, Security, Cloud Computing & Database Administration technology. It possesses not only the latest technology gadgets but also the most knowledgeable and experienced hands to offer most user friendly customized solutions. Domain Computer Education prepares its students to become the skilled technicians and engineering technologists.

We glad to introduce our self that, Domain Computer Education is working in Training, Placement and Global Examination Centers for various corporate companies from last 15 years at Kolhapur & recently we started

our new branch in Sangli. This is the only one well known Organization which Provide the all IT Training Services Cisco Certification, RedhatCertification, Microsoft Certification, Oracle & Java Certification under one roof

Affiliation :-

Today we are working as certified training and exam Partner for Maharashtra State Skill Development Society [MSSDS] &Also we are running Shivaji University affiliated Courses.

Placement &Clients :-

In View of the huge demand in the IT industry, Domain Computer Education Placement Department Interact with Companies, understand their current and growing requirements and place the engineers.

In our institute more than 1000students are placed in MNC's like Wipro, Tech Mahindra, HCL,Euronet, Accel Frontline, Impact Pune, Digilink, DNA pune, etc.

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERETO AGREE AS FOLLOWS:

CLAUSE 1 CO-OPERATION

- 1.1 Both Parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations within the **Institution** and its related wings. The Parties shall keep each other informed of potential opportunities and shall share all information that may be relevant to secure additional opportunities for one another.
- 1.2 First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities of the faculty of First Party providing

significant inputs to them in developing suitable teaching / training systems, keeping in mind the needs of the IT Industry.

- 1.3 The general terms of co-operation shall be governed by this MOU. The Parties shall cooperate with each other and shall, as promptly as is reasonably practical, enter into all relevant agreements, deeds and documents (the 'Definitive Documents') as may be required to give effect to the actions contemplated in terms of this MOU. The term of Definitive Documents shall be mutually decided between the Parties. Along with the Definitive Documents, this MOU shall represent the entire understanding as to the subject matter hereof and shall supersede any prior understanding between the Parties on the subject matter hereof.

CLAUSE 2 SCOPE OF THE MOU

- 2.1 The budding graduates from the institutions could play a key role in technological up-gradation, innovation and competitiveness of an industry. Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge.
- 2.2 **Curriculum Design:** Second Party will give valuable inputs to the First Party in training methodology and suitably customize the curriculum so that the students fit into the industrial scenario meaningfully.
- 2.3 **Industrial Training & Visits:** Industry and Institution interaction will give an insight into the latest developments / requirements of the industries; the Second Party to permit the Faculty and Students of the First Party to visit its group companies and also involve in Industrial Training Programs for the First Party. The industrial training and exposure provided to students and faculty through this association will build confidence and prepare the students to have a smooth transition from academic to working career. The Second Party will provide its Labs / Workshops / Industrial

Sites for the hands-on training of the learners enrolled with the First Party.

- 2.4 **Internships and Placement of Students:** Second Party will actively engage to help the delivery of the Internship and placement of students of the First Party into internships/jobs.
- 2.5 **Research and Development:** Both Parties have agreed to carry out the joint research activities in the fields of IT Industry
- 2.6 **Skill Development Programs:** Second Party should be ready to train the students of First Party on the emerging technologies in order to bridge the skill gap and make them industry ready.
- 2.7 **Guest Lectures:** Second Party ready to extend the necessary support to deliver guest lectures to the students of the First Party on the technology trends and in house requirements.
- 2.8 **Faculty Development Programs:** Second Party ready to train the Faculties of First Party for imparting industrial exposure/ training as per the industrial requirement considering the National Occupational Standards in the concerned sector, if available.
- 2.9 Both Parties to obtain all internal approvals, consents, permissions of whatsoever nature required for offering the Programs on the terms specified herein.
