Instructions:

1. Only the candidates registered online through cetcell portal and verified their application before cut-off date, are eligible. New applications will be considered up to 08/09/2025.
2. These admissions will be made strictly in the order of inter-se merit amongst the candidates who have applied in person for the counselling stages on the date given above.
3. The candidate will need to pay an online registration / application processing fee of Rs. 400/- for all category students.
4. The candidate will lose the claim to participate in the admission counselling process if he/she fails to produce all the applicable original documents at the time of document verification during the ACAP/IL stage. In case a candidate has taken admission elsewhere, he/she will be required to produce the original fees receipt, the Original Admission Confirmation Letter of that institute and submit one self-attested photocopy of each document.
5. After successfully verifying the relevant original document, further eligible candidates will be called for seat allotment by counselling according to inter-se merit.
6. At the time of seat allotment by counselling, the candidate is required to submit "Requisition for Seat Allotment."
7. The seat allotment will be carried out based on the vacancy status at the time of candidates reporting to the counselling stage (as per the reference Rule No. 13 mentioned in the Information Brochure for the academic year 2025-26 published by State Common Entrance Test Cell, Maharashtra State.). Accordingly, the seat allotted to a candidate would then be deleted from the pool of vacant seats displayed on the auditorium screen. Candidates are advised to be present in the Counselling Hall and wait for their turn as per inter-se merit. If a candidate is not available when called, the next candidate on the merit list will be called for allotment of seat and the absent candidate may miss his/her chance of merit-based seat allotment.
8. However, if a candidate of higher merit reports late during the process of counselling, and seeks admission against seats vacant (of a particular category to which he/she belongs) at the time of reporting, would get a preference for admission over the candidates with lower rank present at that point of time. The decision of the admission center coordinator shall be final and binding in this regard.
9. Confirmation of the allotted seat to the candidate is subject to the submission of the requisite Institute admission fees. The candidate is required to pay Institute fee at the time of reporting.
10. The candidate shall not be entitled to any refund of his/her fees if the online cancellation is effected by the candidate after 5.00 pm of the cut-off date prescribed by the Competent Authority i.e., 13th September 2025.
11. Government Resolutions published from time to time in this regard, will be applicable and bound to all the students.
12. Mere participation in the Counselling Stage and paying the registration fees doesn't guarantee the confirmation of admission in the Institute.
